

**HANSON COUNTY DRAINAGE BOARD
MINUTES OF PROCEEDINGS
Tuesday, June 10, 2025**

Chairman Schoenrock called the meeting of the Hanson County Drainage Board to order on Tuesday, June 10, 2025 with members Bumgardner, Fox, Kjetland and Waldera present.

Motion Bumgardner, seconded by Fox to approve the agenda. Motion carried.

Motion Waldera, seconded by Kjetland to approve the May 27th meeting minutes. Motion carried.

No conflict of interest.

Josh Oltmans, Hanson School; Jason Jarding, Wayne Township and Scott Hansen, East River Land Improvement presented a permit for the Hanson School to replace an existing 15" culvert with two, 30" culverts, through the Wayne Township Road, north of the football field, to move the water away from the football and track area faster to prevent future flooding. As the railroad is also involved in the area affected by this drainage project, they will need to sign off on the project which is currently in the works. Motion Bumgardner, seconded by Kjetland to approve the permit for Hanson School contingent on the railroad's approval. All voted aye, motion carried.

Drainage Administrator Roth was notified of illegal drainage done in the road right of way in Hanson Township. Roth will discuss this with the States Attorney and the Hanson Township Board members.

As there was no further business before the Board, a motion was made by Fox, seconded by Bumgardner to adjourn the meeting. Motion carried.

Gary Schoenrock, Chairman
Hanson County Drainage Board
