RE: Davison-Hanson Ambulance District
-Budget request for 2026

Dear Ladies:

The board of directors for the Davison-Hanson Ambulance District has met, considered their budget and the fundraising process, and has come up with the following:

- a. The district is requesting the \$800,000.00 funding for its budget for 2026;
- b. The district has determined that a special assessment will be utilized as a means of financing that budget;
- c. You have previously been emailed a list of the properties of each county which will be assessed for the fundraising process; and
- d. You have also been previously forwarded a copy of the Resolution passed by the board of directors to implement that process and raise the funds.

If you have any further questions concerning this matter, please let me know.

Thank you.
